SHIMMER 微光
A Story of Jews in Shanghai

PLACE: The Heichal Theater Hgilboa 4 Airport city, Tel Aviv Time: 20:30 March 29th, 2017

During WWII, over 25,000 Jews landed in Shanghai seeking refuge from Nazi persecution. This rarely told true and inspirational story now comes to life as an epic new musical, Shimmer: A story of Jews in Shanghai. Created by the most outstanding Chinese artists, jointly performed by Chinese and Israeli actors, this is the first bilingual musical performed in both English and Mandarin. In September 2015, its premiere caused a sensation in the whole country, and launched the 17th China Shanghai International Arts Festival, garnering critical acclaim from local and national media as well as many Chinese theatre awards. In December 2016, the showcase was presented in Broadway, receiving extensive attention and warm echoes. As the special cultural event celebrating the 25th Anniversary of the China-Israeli diplomatic relations, it will be the first time ever for Shimmer coming to Israel. Please join us!
