

CALL FOR APPLICATION

The Gonda Brain Research Center and the "Racheli" Foundation

A call for applications for a research scholarship for a doctoral student at the Interdisciplinary Brain Research Center at Bar Ilan University from the **"Racheli" Foundation**, which was established in 2007 in memory of Racheli Bezalel, a graduate of the university who passed away on the 14th of Tevet, Jan 14th 2006, on Shabbat Parshat "VAYECHI" at the age of 34.

May her memory be blessed.

The prize will be awarded based on academic excellence to PhD students who conduct their research in one of the Brain Research Center labs and fulfill the following criteria:

- Candidates must have started their PhD studies after October 1, 2022.
- Must have a **submitted** or **approved** Research Proposal.
- Published in scientific literature.

The scholarship will be given as one payment in the amount of 3,500 NIS. To submit a candidacy please send an email to tami.rubenov@biu.ac.il including:

- submission form
- curriculum vitae
- publication list

Submission deadline is 17.11.2024
