The webinar will be moderated by
Prof. Doron Aurbach  
of the Bar-Ilan Department of Chemistry

Science, science, SCIENCE!
Every month a renowned top scientist will introduce a topic of general interest,  
present the most relevant research results, and offer an outlook on future research directions and applications
The 45 minutes talk will be followed by a Q&A session where all the participants can ask questions to the speaker (15 - 30 min.)
